Cost:
The cost to attend the 4-H Target Smart Camp is $250.00. This fee includes your lodging, meals, shooting supplies and other recreational activities. Please return your check with your registration to your county UT Extension office.

Transportation:
Transportation costs are not included in the registration fee and are the responsibility of each camper. Coordinate these arrangements with the 4-H agent at your county Extension office.

Every effort will be made to ensure that participants have a safe and rewarding experience:

Campers are adequately supervised by county 4-H agents, adult leaders and camp staff.

4-H center facilities are regularly inspected and meet health department guidelines. Professional and summer staff receive training in first aid and safety procedures.

If you need to reach your camper during the camp session because of a family emergency, the number to call is 931-388-4011. Please do not use this number for other purposes.

A first aid station is located on the grounds. Medications for allergies and other illnesses are kept in a safe location and monitored by adults. A health care professional is employed by the 4-H center. Arrangements have been made with local hospitals for emergency care. It is the responsibility of the parents to notify 4-H agents of pertinent medical conditions.

Campers may take supervised field trips to participate in related studies. It is assumed that by signing the Activity and Event Acceptance Form, parents give permission for their child to participate.

We cannot guarantee that your child will not be injured, but every attempt will be made to minimize risk and encourage safe participation. UT Extension cannot be held responsible for accidents.
