Donor
Tennessee 4-H All Stars

Purpose

The purpose of the project exhibit is to provide 4-H All Stars an additional opportunity to share ideas, accomplishments, requirements and/or results of special studies or research in their 4-H project.

Rules

1. Any active 4-H All Star who attends the State 4-H All Star Conference may enter one exhibit in the competition.
2. Exhibits must be displayed on a 3’ x 3’ tabletop. The area from the table top to the floor may also be utilized.
3. Members are encouraged to make their exhibits “free standing,” since it may not be possible for each table to be against the wall.
4. Exhibits will be scored according to the 4-H Educational Display score sheet.

Awards

A first place plaque will be awarded to the All Star with the highest scoring exhibit. The top five exhibitors will receive either a $50 U.S. Savings Bond or a $25 scholarship to a Regional or State All Star Conference. All exhibits will be classified into blue, red and white award groups.
**Tennessee 4-H Roundup**

Are you interested in learning new things? Do you like to have fun, dance, make friends? Then 4-H Roundup is the place for you! Since 1924, Tennessee 4-H’ers have gathered annually on a campus of the University of Tennessee for 4-H Roundup. The event serves to recognize 4-H members for their outstanding project work and leadership accomplishments. State All Star Conference is a part of the Roundup program. All Stars conduct service-learning projects and recognize outstanding service projects.
