Delegates to the 2010 State 4-H Congress are asked to collect items for Vanderbilt Children’s Hospital in Nashville. These items will benefit families staying overnight at the hospital. Many of these families enter Vanderbilt in such a rush that they don’t have time to think about basic toiletry items to use during their stay. Items needed are:

- Travel size deodorant
- Lip gloss/lip balm
- Travel size mouthwash
- Travel size shampoo/conditioner
- Travel size soap
- Travel size toothpaste

*Our goal is to collect 100 total items per county in recognition of 100 years of 4-H in Tennessee!*
