Preparing for 4-H Congress
Tennessee 4-H Congress is an activity that supports the citizenship project and helps 4-H’ers develop the life skill of responsible citizenship.

Responsible citizenship is an individual’s demonstration of love and devotion in response to duties, rights and privileges as a member of a community or country. It includes:

- Loyalty to one’s place of residence
- The entitlements and privileges of citizenship, including voting, protection, participation in government
- Obligations of citizenship
- Appreciating and valuing diversity

One way to be a responsible citizen is to understand your government and how you can be involved so that your government represents you and other citizens.

Democratic governments are established to be operated by the people and for the people. Citizen involvement in government is the only way to keep government responsive to the people.

How much do you know about your government? To help you get the most benefit from your participation in 4-H Congress, you should look in books and on the Internet to learn more about how government works, especially in Tennessee.

Who are the leaders in your state government? How are they elected? How does a bill become a law? What happens if the governor vetoes a bill?

If you know the answers to these and other interesting questions about state government, you will be better prepared to serve as a 4-H Congress senator or representative.

Be a Good Delegate
As a Congress delegate, you are serving as a 4-H ambassador. You represent the more than 184,000 other Tennessee 4-H’ers. Represent them well through your active participation, courteous behavior and professional dress throughout Congress. Here are a few reminders:

1. Make it a point to be on time or ahead of time for each session and event.
2. Be a good listener. You will hear some of your most important state officials speak. You can impress them by your attentiveness.
3. Smoking and chewing gum are out of place during any 4-H event.
4. Cell phones are out of place at any meal event or assembly.
5. Show your appreciation by writing thank-you note to sponsors, leaders, agents and parents.
6. Share your experiences with others when you return home. Take notes and be prepared to give an interesting and worthwhile account of your Congress experience.
