

Tennessee 4-H Congress 2020 Service Project

Delegates to the 2020 Tennessee 4-H Congress are being challenged to collect items to benefit military service men and women who will soon be deployed. Tennessee 4-H Congress delegates are asked to bring items which will be assembled into care packages and sent to military units who will be deploying soon. This will provide these brave men and women with a reminder that someone back home is thinking of them!

Western Region - Card games, puzzle books, ink pens

Central Region - Hot chocolate, granola bars, dried fruit

Eastern Region - Deodorant, toothpaste, toothbrushes

Each delegate should also write at least one hand-written letter to the service member. Please contact your 4-H agent for assistance.

We *strongly* encourage counties to promote this service project countywide, not just with county 4-H Congress delegations.
