NATIONAL STD THREE-POSITION SPORTER AIR RIFLE

What are Postal Leagues or Matches? Originally named “Postal Leagues” because the targets were mailed in for scoring via the U.S. Postal Service, Postal Leagues are a state-wide competitive shooting match in which participants can compete with others across the state without having to travel outside their home county. Participants complete their course of fire locally over an extended designated time frame. Thus, allowing for greater flexibility of schedules and eliminating the cost of travel to an event. Following the close of the matches, targets are mailed to the State 4-H Office. All shooting must be supervised by a 4-H Shooting Sports Coach certified in Rifle, and the match must also be supervised by the County Agent of that individual county.

SPECIAL RULES FOR THIS POSTAL MATCH

 - The Agent will take the targets, immediately after they are shot and place them, unscored, in a secure envelope.

Safety Protocols for 4-H State Air Rifle Postal Match

April 10, 2021

Hosted in Individual Counties

1. Every person at the event will be required to wear a mask. Proper PPE will be provided to all staff and volunteers, and hand sanitizer will be available at all fields and indoor ranges. Extra PPE will be available if contestants arrive without what they need.
2. Mask will be required. However, because it could be considered a safety issue, competitors will not be required to wear their mask while shooting. The shooting stations will be 6 ft. apart. Each competitor may remove their mask after arriving at their station and before they start shooting. They will replace it before exiting the firing line and at any time they are going to be coming within 6 feet of a coach or range official while on the range.
3. Check in desk will be located outside (weather permitting). Participants will be expected to wait in line at least 6 ft. apart. Only verbal verification should be necessary during check in because all registration information must be handled in SUPER prior to the event.
4. Participants will complete all stages of the competition during 1 visit to the indoor range. This should mitigate interaction between groups.
5. Staggered range times will be sent out prior to the event to lower the number of people at the event and competitors will be encouraged to return home after they complete the competition.
6. No fees will be taken that day, so that will limit contact with participants and the workers.

Only 1 participant will be allowed to present equipment at a time. Depending on number of staff and volunteers available, it is also possible that several equipment check stations may be set up in order to speed the inspection process.
8. Because of the nature of the sport, equipment sharing is not usually a problem.
9. All targets will be retrieved by a staff member with gloves and delivered to the scoring officials.
10. All target stands and range equipment will be wiped down and sanitized between individuals.
11. Parents and spectators will not be allowed to watch the completion due to the size of the room where the range will be set up. Only coaches and range staff will be present while the contestants are competing.
