

4-H COLLEGE SCHOLARSHIP APPLICATION

Tennessee 4-H has 26 college scholarships from which 4-H members can select when they submit a college scholarship application. Applicants can select more than one scholarship.

GENERAL RULES AND GUIDELINES FOR 4-H SCHOLARSHIPS

These rules apply to all scholarships unless indicated otherwise under the specific scholarship.

1. Scholarships are open to all Tennessee 4-H members regardless of previous awards won.
2. Recipients must be an active Tennessee 4-H member.
3. Applicants will complete an online Tennessee 4-H scholarship application. The application can be accessed at: tiny.utk.edu/4HScholarships24.
4. The online process requires the 4-H'er to complete the Interactive Scholarship Application Worksheet first. This worksheet can be found here: <https://4h.tennessee.edu/wp-content/uploads/sites/47/2024/01/Interactive-Scholarship-Application-Worksheet.pdf>. Once completed, please reach out to your county agent for a review before completing the online form. Check with your county agent for the county application due date. The final, state, online application submission due date is May 1. This is a firm deadline.
5. Scholarship recipients will be announced at State 4-H Roundup in July. Recipients are highly encouraged to attend this assembly since donors are invited and are usually present to meet recipients. If applicants are not attending 4-H Roundup, their 4-H agent will be notified in advance.
6. Read the requirements for each scholarship and **DO NOT** apply for a scholarship for which you do not meet the requirements.
7. The value of scholarships funded by an endowment will be determined annually according to the availability of funds. The amount shown on the 4-H Scholarship Listing Summary Document may be different from what the recipient actually receives.
8. Scholarship recipients may request payment for the award January 1, following the successful completion of one quarter or semester of college or schoolwork as a full time student. Successful completion is defined as a minimum, cumulative score of a 2.0 grade point average on a 4.0 grading system, unless the scholarship stipulates a higher GPA.

Documents available to assist with the application and payment process are located on the 4-H website: <https://4h.tennessee.edu/forms-and-materials/>.
