

# Outdoor Recreation & Shooting Sports

## *Did you know...*

This project is designed for 4-H members who enjoy the outdoors while engaging in canoeing, camping, hiking, and fishing. You can develop skills and precision in shooting sports activities through this project as well.

## *What can I do...*

- Give a demonstration on how to make a first aid kit for camping
- Join a 4-H Shooting Sports team in your county
- Take a Hunter Safety course
- Conduct a service project with your 4-H club to clean up a local park

## *Check this out...*

This activity gives you a glimpse of what this project is about. In the Outdoor Recreation and Shooting Sports project, you can explore outdoor recreation or focus your attention on becoming a better marksman.

Think about taking a hike with family or friends. What kind of supplies would you need to carry with you that would be important for your survival?

## *Future Thoughts...*

What kind of career would someone in the Outdoor Recreation and Shooting Sports project want to pursue?

- State park manager or park ranger
- Shooting Sports instructor
- Law enforcement or a security guard

Do you know what all of these professions do in their job? If not, do some research and dig a little deeper.

## *Work on this...*

Identify the four parts of a tent using the following terms: base, wall, rainfly, and entryway.

## *What's Next?*

Contact your local 4-H Agent on other ways you can get involved with this project and with 4-H:
