

Tennessee 4-H Congress Volunteer Assignments

Thank you for your service to the 2025 Tennessee 4-H Congress! We appreciate you!

You, as a 4-H Volunteer, are a vital part of the 4-H Congress Team. This information, in addition to information provided by your County Office, will help you get acquainted to your role at Tennessee 4-H Congress.

Please view the details on specific volunteer assignments on the subsequent pages.

For the Dance on Tuesday:

All volunteers are expected to be at the dance or in the dance area for the duration of this event. The purpose is to ensure a safe environment and that all youth are supervised. The ballroom has several doors at each end of the room and we need the doors supervised. Anyone entering or leaving the dance should do so using the doors designated as the dance entrance.

Volunteers are needed in the following areas:

- main hallway going to the dance - elevator (main lobby) - ballroom doors (inside)
- main hotel lobby area - conference center lobby areas - as dance chaperones
- alternate activity

- All youth are to be at the dance or at the alternate activity.
- Youth are not to go to their rooms during the dance unless there is a medical reason or emergency.
- If you have any questions regarding a youth staying in a room, consult your regional staff.
- If anyone is in a room due to illness, the regional housing agents need to be notified (give them the name and room number of the person).

Thank you for all your efforts and care as we provide safe environments for our 4-H members!
