

ACCESSING CANVAS CATALOG

1. Create a Guest Account

As a high school student without a UTK NetID, you'll need to set up a guest account to access the Canvas Catalog. Here's how:

- Access the UT Canvas Catalog: Open your web browser and go to the UT Canvas Catalog.
- Initiate Account Creation: In the top right corner of the page, click on "Login or Create Guest Account."
- Select Login Option: On the next page, choose "Log in without UTK NetID."
- Sign Up for a New Account: Click on the "Sign Up" link.
- Enter Your Details: Fill in your full name, email address, and create a password. Ensure your password is memorable and secure.
- Complete the Registration: After entering your information, click "Register."
- Verify Your Email: Check your email inbox for a confirmation message from UT Canvas Catalog.
- Click on the verification link provided to confirm your email address.

2. Browse and Enroll in Course

- Once your guest account is set up and verified, you can enroll in courses:
- Log In to Canvas Catalog: Return to the UT Canvas Catalog and click on "Login or Create Guest Account." This time, select "Log in without UTK NetID" and enter your email and password.
- Explore Available Courses: Browse through the catalog to find courses that interest you.
Insert link to Next Chapter Course
- Enroll in the Course: If you decide to take the course, click the "Enroll Now" button.
- Complete Enrollment: Follow the on-screen instructions. For free courses, you'll be enrolled immediately. For paid courses, you'll be prompted to enter payment information.
- Access Your Course: After enrolling, you can access the course materials immediately.

3. Accessing Courses on Mobile Devices

If you prefer to use a smartphone or tablet:

- Download the Canvas Student App: Install the Canvas Student app from the [App Store](#) (iOS) or [Google Play Store](#) (Android).
- Find Your School: Open the app and tap "Find my school."
- Enter the URL: Type in "ut.instructure.com" and select "Go" or "Return."
- Log In: Choose "Log in without UTK NetID" and enter your guest account credentials.
- Access Your Courses: Once logged in, you'll see your enrolled courses and can begin learning.

4. Additional Tips

- Forgotten Password: If you forget your password, on the login page, select "Log in without UTK NetID," then click "Forgot Password?" Enter your registered email address, and you'll receive instructions to reset your password.
- Technical Support: If you encounter any issues, contact the OIT HelpDesk at 865-974-9900 for assistance.
