2. Project Experiences: Summarize this year's experiences of your project goals. Use the drop-down menu to identify the project outcome subheader and outcome that correlates to your project goal specifically. The number of the goals from the first page should correspond to the specific goal numbers on these pages (i.e. Goal #1 from the first page should match Goal #1 on this page, etc.... Be sure to explain in as much detail as possible your specific work or activities in the "Specific Project Experiences" area. Limit activities included to the specific outcome identified. If you have supporting documentation/materials, identify with a lowercase letter – (a), (b), (c), etc... for example – at the end of the activity statement and include a link to this supporting material in the "Evidence" section of your website. Be sure to upload that work to the correlating link.

3. Additional Supporting Evidence: Use this section to highlight any additional activities completed that support your project work, AND correlate with any of the project outcomes, but do not necessarily relate to your goals for this year. Examples might include, but not be limited to presentations, exhibits, awards, recognition, educational conferences and programs, etc... These activities do not have to be just 4-H activities, but they do have to relate to your main project. Please be sure to explain your specific responsibility for each. If you have supporting documentation/materials, identify with a lowercase letter – (a), (b), (c), etc... for example – at the end of the activity statement and include a link to this supporting material in the “Supporting Project Materials” section of your website. Be sure to upload that work to the correlating link.
