## WHAT I DID IN MY PROJECT

**2. Project Experiences:** Summarize this year's experiences of your project goals. Use the drop-down menu to identify the project outcome subheader and outcome that correlates to your project goal specifically. The number of the goals from the first page should correspond to the specific goal numbers on these pages (i.e. Goal #1 from the first page should match Goal #1 on this page, etc.... Be sure to explain in as much detail as possible your specific work or activities in the "Specific Project Experiences" area. Limit activities included to the specific outcome identified. If you have supporting documentation/materials, identify with a lowercase letter – (a), (b), (c), etc... for example – at the end of the activity statement and include a link to this supporting material in the "Evidence" section of your website.
