

ACCESSING CANVAS CATALOG

Participate in this program in 3 easy steps. Note: As a high school student without a UTK NetID, you'll need to sign up for a user account in Canvas Catalog and log in “**without UTK NetID**”.

Step 1: Start Enrollment and Create a Guest Account	1
Step 2: Finish Enrollment	3
Step 3: Return to Your Course Anytime	4
Accessing Canvas Catalog on Mobile Devices	5
Quick Reminders and Tech Support	6

Step 1: Start Enrollment and Create a Guest Account

(1) Select the course enrollment link shared by the instructor.

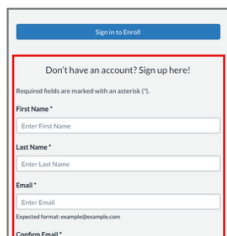

<https://utia.pdx.catalog.canvaslms.com/browse/4-h/courses/next-chapter-mastery-level-i-2026>

(2) Select *Enroll*.

Next, you will be asked to sign in or sign up (create a guest account in UT Canvas Catalog). Since this is your first time, you will sign up.

(3) Fill out your name, email, and other required fields and select *Register New Guest Account* at the bottom of the form.

Sign in to Canvas

Don't have an account? Sign up here!

Required fields are marked with an asterisk (*)

First Name *

Enter First Name

Last Name *

Enter Last Name

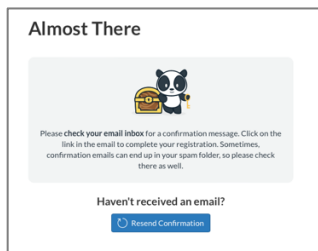

Email *

Enter Email

Accepted format: example@example.com

Confirm Email *

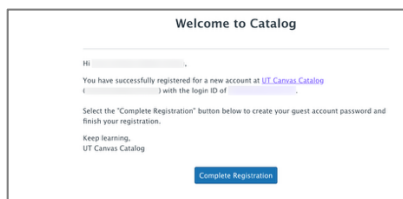

The web browser displays the "Almost There" message.

NOTE: Canvas Catalog will automatically send email to the email address indicated in your account registration. You need to locate the email, complete your user account registration and create a password for your account.

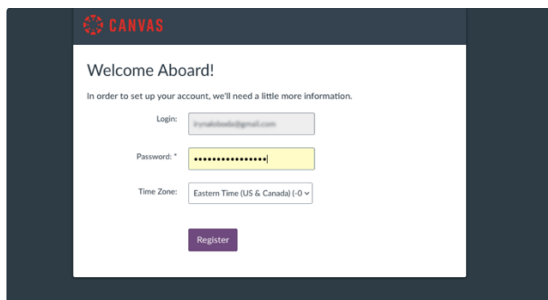

(4) Check your email inbox, including the spam folder, for the confirmation email with the *Welcome to Catalog* subject line.

(5) Select *Complete Registration* in your email message. If prompted, confirm opening the link in a web browser.

NOTE: You will be presented with the *Welcome Aboard* web page. Your login ID is the email you indicated in your guest account registration. You will need to create a password for your account.

(6) Create a password for your new user account, select your time zone and select *Register*.

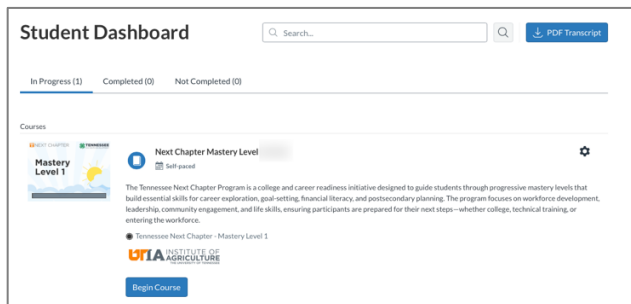

! Important: You are creating a Guest Account, not a UTK NetID. You'll always log in as a Guest using your email and password.

After the successful registering of your account, you will be presented with Student Dashboard in your web browser.

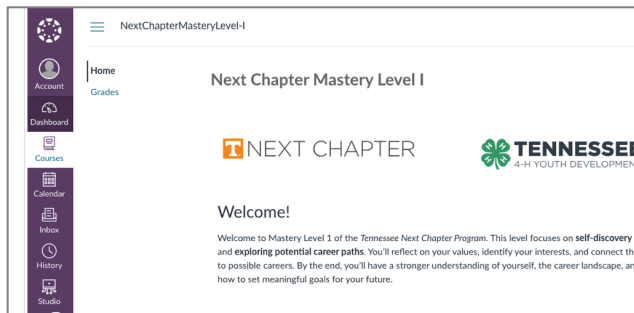

Step 2: Finish Enrollment

(7) Select *Begin Course* in *Student Dashboard*. Note: Your course appears under the *In Progress* tab.

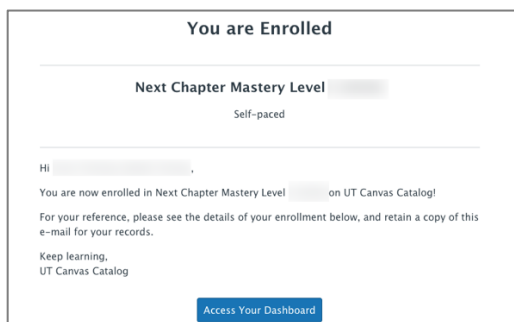

For more information about Catalog Student Dashboard, review the guide called [How do I use the Student Dashboard in Catalog?](#)

(8) Begin learning!

(9) Access the *Catalog Enrollment Confirmation* email in your email inbox. Save the email for your records. The email has a link to your *Student Dashboard*.

Step 3: Return to Your Course Anytime

(10) Open Canvas Catalog (<https://canvascatalog.utk.edu>).

(11) Select *Login or Create Guest Account*.

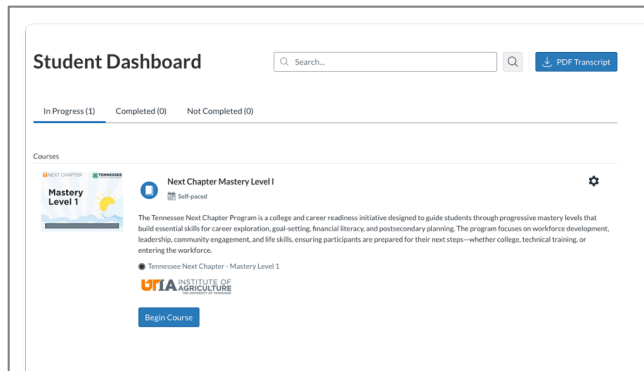

Login or Create Guest Account

(12) Select *Log in without UTK NetID*.

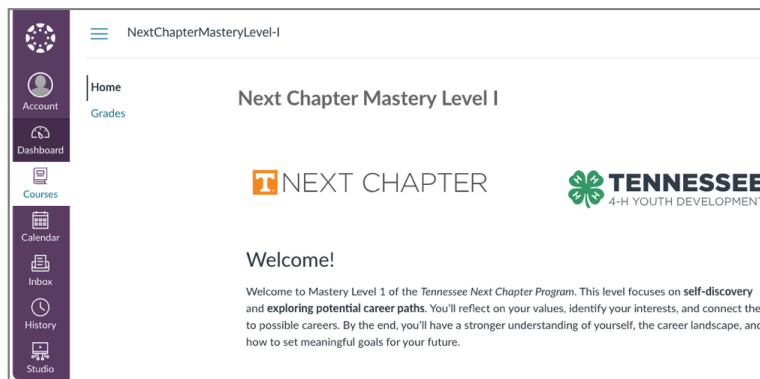

(13) Type your email and password and select Log In. Note that you can reset the password using the “Forgot Password?” link.

You'll land on your Student Dashboard.

(14) Select *Begin Course* or *Resume Course*.

(15) Keep learning!

Accessing Canvas Catalog on Mobile Devices

NOTE: If you already use the Canvas Student app for your school Canvas courses, we recommend accessing the Next Chapter courses through your mobile browser instead of the app.

To use the Canvas Student app:

- **Download the Canvas Student App** from the App Store (iOS) or Google Play Store (Android).
- **Find Your School:** Open the app and tap *Find my school*.
- **Enter the URL:** Type in "**ut.instructure.com**" and select "Go" or "Return."
- **Log In:** Choose *Log in without UTK NetID* and enter your guest account credentials.
- **Access Your Course:** Once logged in, you'll see your enrolled courses and can begin learning.

Quick Reminders and Tech Support

- You are a guest user, not a UTK student. Log in ***without UTK NetID***.
- Your login ID is the email you used to create your guest account.
- If you forget your password, on the login page, select *Log in without UTK NetID > Forgot Password?* > enter your email.
- Bookmark your course for easy return.
- Technology issues? Use the *Help* button in Canvas Catalog.
